## REGARDING END-USER-DECLARATION (EUD)

The ordered product is a **precursor for explosives** and is therefore subject of the **Regulation (EU) 2019/1148** of the European Parliament and of the Council of 20 June 2019 on the marketing and use of precursors for explosives. The delivery of the product (mentioned below) requires a **verification of the sale**.

In accordance with the above-mentioned EU regulation, your order only be released after receipt of an end-user-declaration (EUD) from you

- according to the attached form
- with company stamp
- indicating all requested data

In order to protect your data, we ask you to return the completed end-user-declaration **only by e-mail** to the address given in the form ([compliance@microchemicals.com](mailto:compliance@microchemicals.com)).

Please note that the EUD is valid for **12 months for the ordered product**, unless there is a significant difference in subsequent orders. In the last-mentioned case, another end-user-declaration of the same type must be submitted. Please have all fields of the EUD completed by an employee who is authorised to represent your company for this process.

We would like to explicitly point out once again that in order to comply with Article 8 of the above-mentioned EU Regulation, all fields of the end-user-declaration must be completed. We only release your order after receipt of a fully and correctly completed EUD.

Thank you for understanding!  
Your MicroChemicals-Team
